# QUARTER WINDOW LOUVER

(2015-2020 MUSTANG)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) LH Louver
- (1) RH Louver
- (2) Tape Rolls

### TOOLS REQUIRED

---

Razor Knife

**STEP 1**

Begin the installation by thoroughly cleaning the quarter window glass with automotive grade soap and water. Allow the window time to fully dry. \*\*Recommended: Wipe the glass down with isopropyl alcohol to ensure the glass clean and free of any contaminants.

**STEP 2**

Test fit the part on the window to become familiar with how the louver fits.

**STEP 3**

Apply the supplied 3M tape to the tape ledges around the back of the window louver.

**STEP 4**

Peel back the tape backing and install the quarter window louver to the vehicle. Apply firm even pressure on all tape ledge locations to ensure proper adhesion. Installation is now complete.
