START BUTTON COVER

(2015-2020 MUSTANG ALL)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Start Button Cover
(1) Start Button Base
(1) Die Cut 3M Tape
(1) Alcohol Pads

TOOLS REQUIRED

No Tools Required

STEP 1

Begin by wiping down the dash panel surrounding the start button with the supplied alcohol pad.

STEP 2

Next, assemble the start button cover by clipping the red cover onto the black mounting base.

STEP 3

Install the supplied 3M tape as shown above. Test fit the button cover prior to peeling off the tape backing. Then peel off the tape backing.

STEP 4

Firmly press the black portion of the button cover onto the dash panel. Installation is now complete.
