INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Dash Mount
- (1) Phone Holder
- (1) Locking Nut

TOOLS REQUIRED

N/A

STEP 1

Align the bottom of the dash mount to the area around the vents. Then, press upwards and engage the top lip of the dash mount to the top of the dash trim panel.

STEP 2

Place the nut over the ball mount, and then insert the phone mount onto the ball mount. Secure the phone mount into place using the previously placed nut. Tighten until secure in the preferred position.

Installation is now complete.
