

HEADLIGHT COVERS

(2024+ MUSTANG)

INSTALLATION INSTRUCTIONS

CONTENTS

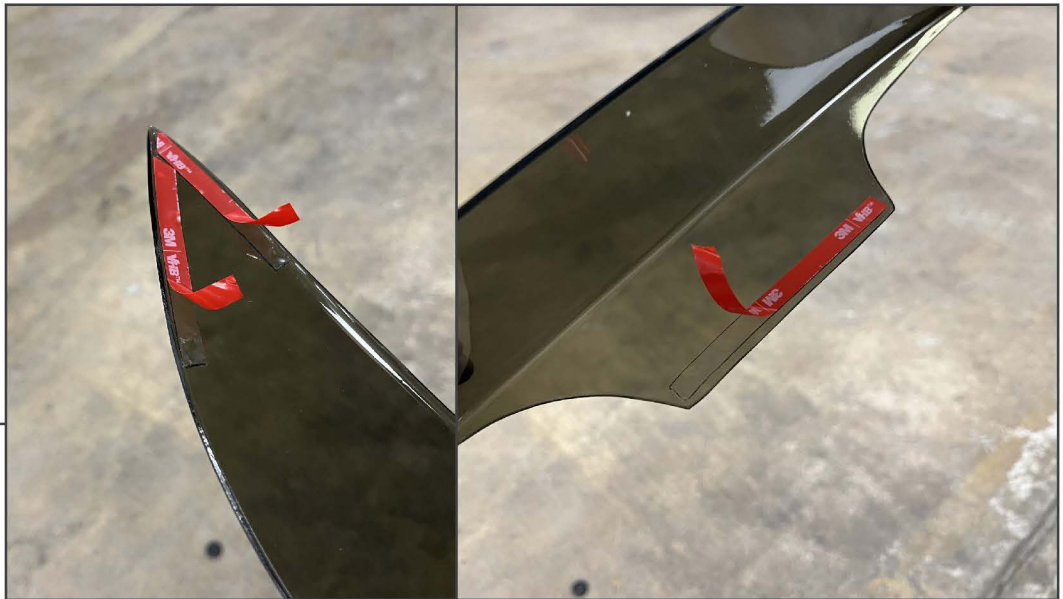

(1) LH Headlight
(1) RH Headlight

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

STEP 1

Open the vehicle hood. Clean the vehicle headlight using isopropyl alcohol and a microfiber cloth. Allow the headlight to fully dry.

STEP 2

Peel the red tape backing from the headlight cover panel.

STEP 3

While gently lifting the upper corner of the vehicle bumper, fit the headlight cover to the vehicle headlight. Lifting the bumper will create enough space to fit the cover. Once the inner edge is secure, press the headlight cover to the vehicle firmly to engage the tape to the headlight.

STEP 4

Repeat steps 1-3 for the remaining headlight cover.

Installation is now complete.
