

CARBON FIBER GRILLE INSERTS

(2024+ MUSTANG DARK HORSE)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) LH Grille Insert
(1) RH Grille Insert

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

STEP 1

Using isopropyl alcohol and a microfiber cloth, clean the vehicle front bumper grille, and allow to dry. Test fit each grille insert to the vehicle to familiarize fitment.

STEP 2

Once familiar with fitment, peel the tape backing from each grille insert, and apply the insert to the vehicle grille. Firmly press into place to encourage adhesion.

Installation is now complete.
