

SMOKED REVERSE LIGHT COVER

(2024+ MUSTANG)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Reverse Light Cover
(1) Alcohol Prep Pad

TOOLS REQUIRED

N/A

SKU # 443986

STEP 1

Clean the vehicle reverse light using isopropyl alcohol and a microfiber cloth. Allow the light to fully dry after cleaning.

Test fit the light cover to the vehicle to familiarize fitment. Once familiar with fitment, remove the red tape backing from the light cover tape.

STEP 2

Firmly press the reverse light cover onto the vehicle reverse light to engage the double sided tape.

Installation is now complete.
