

CARBON FIBER RADIATOR COVER

(2024+ MUSTANG)

INSTALLATION INSTRUCTIONS

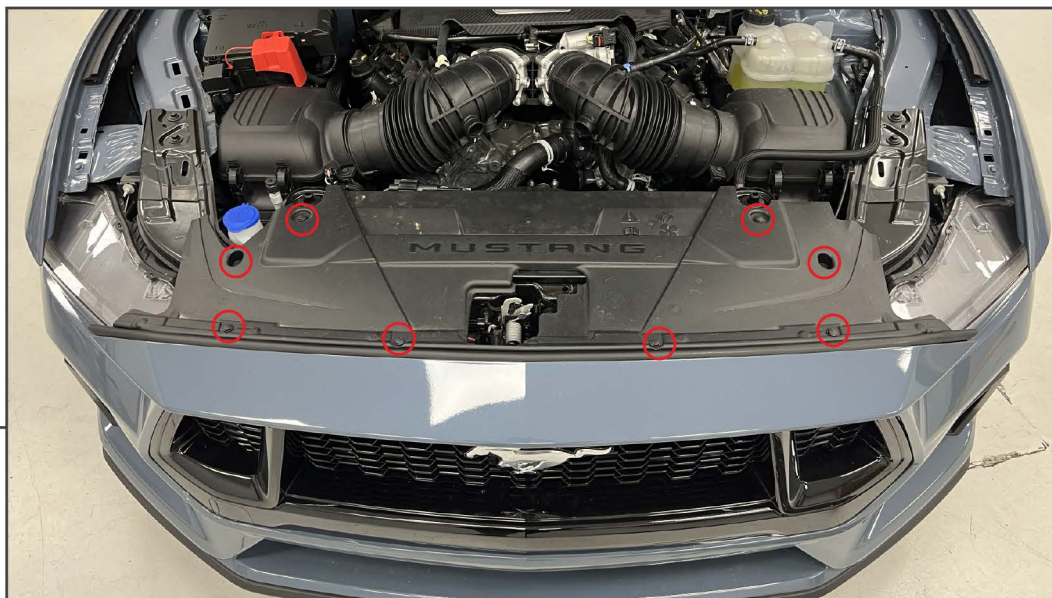

CONTENTS

- (1) Radiator Cover
- (1) Roll of Double Sided Tape
- (2) Alcohol Prep Pads
- (2) Adhesion Promoter Prep Pads

TOOLS REQUIRED

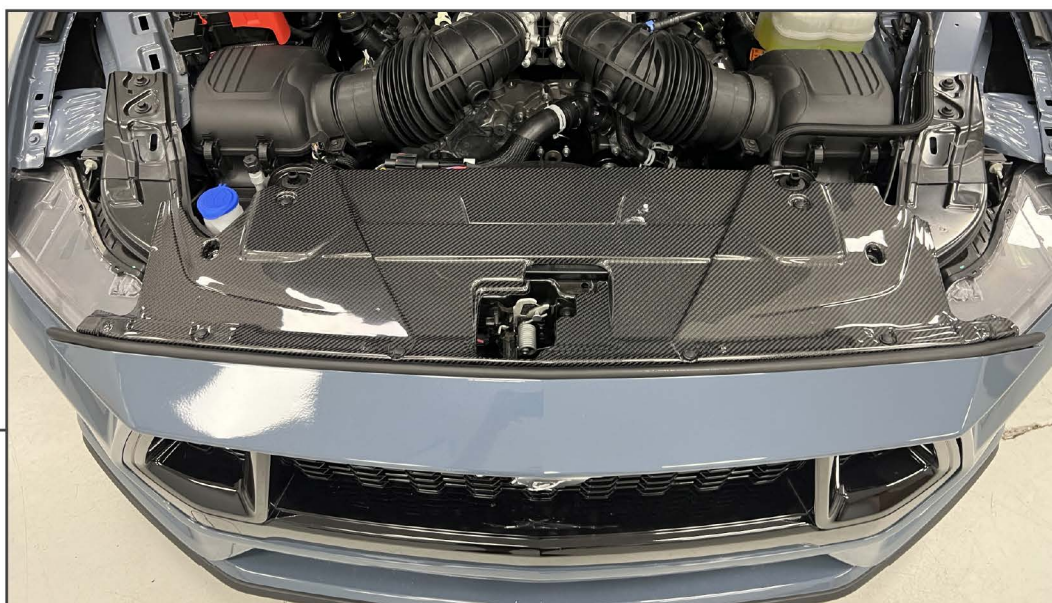

Panel Removal Tool

SKU # 445945 446103

STEP 1

Remove (8) plastic push clips from the vehicle radiator cover. With the clips removed, lift and remove the radiator cover from the vehicle.

STEP 2

Fit the new radiator cover to the vehicle, and secure into place using the original (8) plastic push clips.

Installation is now complete.
