

BILLET PEDAL SET

(2008+ CHALLENGER - AUTOMATIC TRANSMISSION)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Brake Pedal Cover
- (1) Throttle Pedal Cover

TOOLS REQUIRED

Heat Gun

**STEP 1
(BRAKE PE DAL)**

Peel the rubber brake pedal cover from the brake pedal assembly.

**STEP 2
(BRAKE PEDAL)**

Use a heat gun to soften the rubber along the edges of the billet pedal cover. Once soft, stretch the rubber edges around the brake pedal assembly. Ensure all sides are fully wrapped around the pedal assembly.

**STEP 3
(THROTTLE
PEDAL)**

The throttle pedal assembly **does NOT** have a cover to remove.

Use a heat gun to soften the rubber along the edges of the billet pedal cover. Once soft, stretch the rubber edges around the throttle pedal assembly. Ensure all sides are fully wrapped around the pedal assembly.

STEP 4

Installation is now complete.
