

CENTER CONSOLE STORAGE TRAY

(2021+ MUSTANG MACH-E)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Storage Tray
- (3) Silicone Pads

TOOLS REQUIRED

N/A

STEP 1

Locate the storage area below the center screen. Clean all contents and remove the rubber mat.

STEP 2

Place the storage tray into the vehicle center console storage area. Install the (3) silicone pads into the corresponding sections. Hinge the USB cover to access the dashboard USB ports. This tray retains wireless charging functionality.

Installation is now complete.
