

TRUNK STORAGE ORGANIZERS

(2021+ MUSTANG MACH-E)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Front Organizer Box
- (1) Rear Organizer Box

TOOLS REQUIRED

Vacuum Cleaner (Optional)

STEP 1

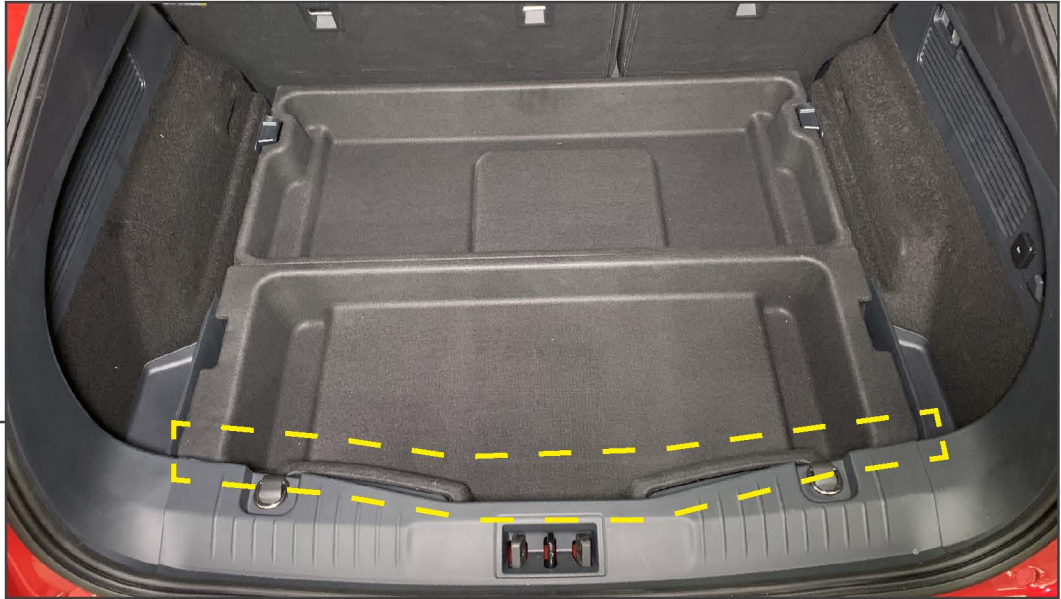

Remove the trunk floor panel from the vehicle. Clean the floor of the vehicle with a vacuum cleaner, if desired.

STEP 2

Install the front organizer box to the vehicle, taking note the notches fit around the trunk floor panel mounts.

STEP 3

Install the rear organizer box to the vehicle, taking note the organizer box contours to the rear hatch interior panel.

STEP 4

Re-install the trunk floor panel to the vehicle.

Installation is now complete.
