# CENTER SCREEN DASH STORAGE TRAY

(2021+ MUSTANG MACH-E)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) Storage Tray
- (2) Silicone Pads
- (2) Mounting Stud Arms
- (2) Phone Clamps
- (2) Phillips Screws

### TOOLS REQUIRED

---

Phillips Screwdriver

**STEP 1**

Assemble the phone mounting studs to the storage tray using (1) Phillips screw per mounting stud.

**STEP 2**

Place the sides of the storage tray around the center screen, and slide down until the tray is fitted to the dashboard.

---

**STEP 3**

Install the phone clamp onto the mounting stud using the pre-installed nut. Tighten into place when the desired angle is achieved.

Installation is now complete.
