STEP 1

Clean the vehicle quarter window louver using the included adhesion promoter pads, allow to fully dry. Familiarize the window louver to the vehicle prior to removing the red tape backing.

STEP 2

Once familiar with fitment on the vehicle, peel the red tape backing from the double sided tape. Align and apply the louver to the vehicle. Apply firm pressure to ensure proper adhesion.

Repeat steps 1-2 for the remaining window louver. Installation is now complete.
