

TRUNK STORAGE ORGANIZER

(2021+ MUSTANG MACH-E)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Organizer Box

TOOLS REQUIRED

N/A

STEP 1

Open the rear trunk area, and lift the trunk floor upwards. Locate the storage compartment next to the air compressor.

Note: Trunk floor removed for instructional purposes, but is not required.

STEP 2

Place the storage box into the storage compartment. Once placed, close the trunk floor.

Installation is now complete.
