

REAR SEAT PET DIVIDER

(2021+ MUSTANG MACH-E)

INSTALLATION INSTRUCTIONS

CONTENTS

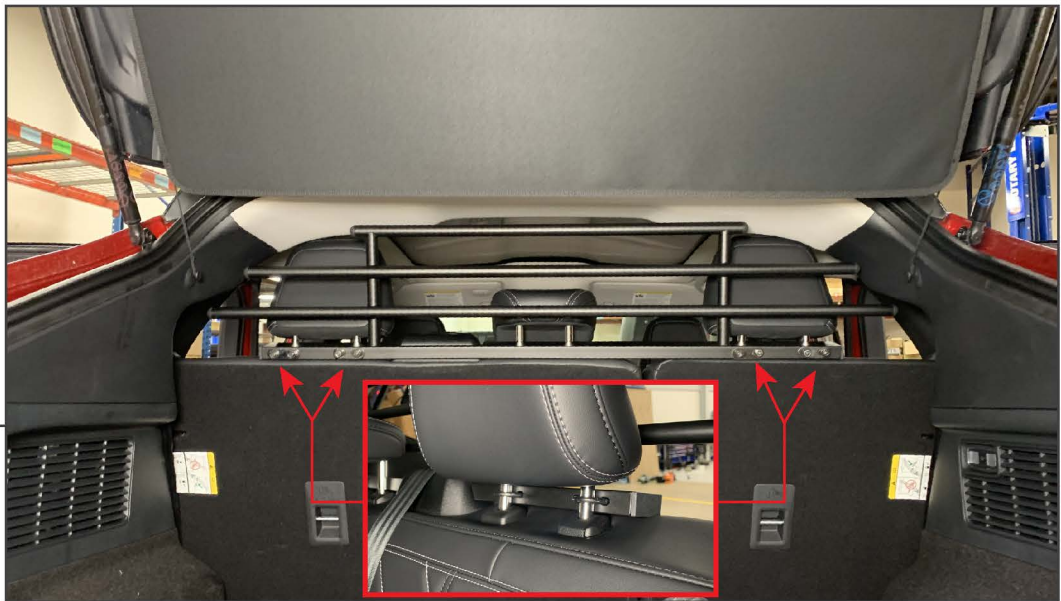

- (1) Pet Divider
- (4) M6 U-Bolts
- (4) M6 U-Bolt Plates
- (8) M6 Nuts
- (8) M6 Lock Washers
- (8) M6 Flat Washers
- (8) Rubber Caps
- (1) 10mm Wrench

TOOLS REQUIRED

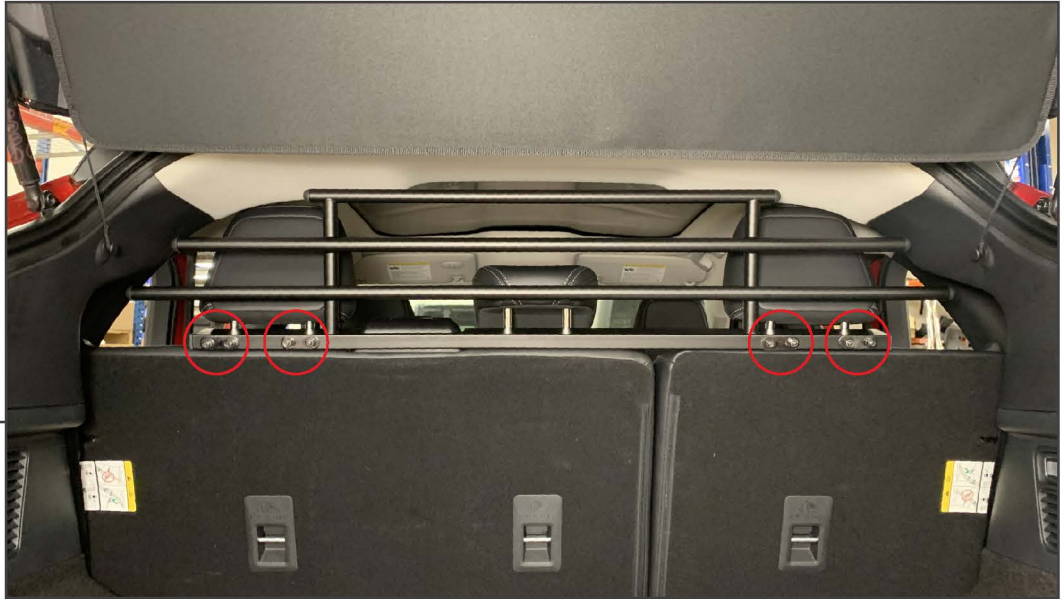

10mm Wrench (Provided)

**STEP 1**

Open the vehicle cargo area. Locate the seatbelt panel in the seat back, and align the pet divider around the panel.

**STEP 2**

With the pet divider aligned, install the (4) M6 U-Bolts through the rear seat head rest posts. Route the U-Bolts through the pet divider, and secure into place using the (4) M6 U-Bolt plates, (8) M6 flat washers, (8) M6 lock washers, and (8) M6 nuts. Tighten all of the hardware evenly using the provided 10mm wrench until secure.

STEP 3

Cover the U-Bolt hardware using the (8) rubber caps.

STEP 4

Installation is now complete.
