

TEMPERED GLASS SCREEN PROTECTOR

(2021+ MUSTANG MACH-E)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Screen Protector
- (1) Microfiber Cloth
- (1) Alcohol Prep Pad
- (1) Dust Removal Sticker

TOOLS REQUIRED

N/A

STEP 1

Thoroughly clean the vehicle screen using the provided alcohol prep pad. After cleaning, ensure all dust is removed using the microfiber cloth and the dust removal sticker.

STEP 2

Begin to remove half of the plastic adhesive backing from the screen protector by pulling the sticker on the backing. Then, place the screen protector over the volume knob, and align and place the bottom half of the screen protector to the screen.

STEP 3

Lift the remaining portion of the screen protector backing from the screen protector, and place onto the screen.

Installation is now complete.
